

Spectator Guidelines for Thursday, 9/17/20 @ WHS Stadium

Spectators may enter the stadium through the home side gate (NW gate), exit out the ticket gate (NE gate). Gates to the track in those two locations remain closed all night -- no fans allowed onto the track and field area.

Attendance will be limited to family / household. Cones will be placed in the stands for social distancing. Masks required the entire time, same as the requirements at our normal XC meets.

Athletes are not allowed in the stands at any point...they can meet family members outside the facility when their race has been completed.
