

WAYZATA ALL-CONFERENCE (1968 to 2019)

The method for selecting All-Conference has varied from voting by coaches, to averaging performance in dual meets, to performance in a single Championship Meet. Currently All-Conference honors are awarded to the top thirteen finishers in the Conference Meet. There is also an appeal process for athletes who are injured or ill the day of the meet, but who had defeated five or more top 13 finishers earlier in the season.
