

# ALL-TIME STATE MEET SCHOOL RESULTS

In an effort to judge the strength of programs through time, Bill Miles first compiled this listing in 1976. It has been updated through the current season and they represent a comparison of all schools that have ever placed in the top five in a Minnesota State Meet (Class AA since 1976). If a team wins the State they get 6 points, second gets them 4, third gets them 3, fourth gets them 2, and fifth gets them 1 point.
