

Roy Griak Invitational History

The high school competition began at the "GRIAK" in 1994. It quickly grew in popularity and eventually had to split into multiple races (Gold & Maroon) for the high schoolers. Teams are limited to 10 entries per school and there is no JV competition. Wayzata began competing in 1997 and has competed every year since. Below are the top 5 teams and top 5 individuals from each year except 1994 - 1996 (only race winners).
